

E. FEELING AND DRAWING – START GAMES

E4 Feel the Rhythm

Skills practiced: Touch, fine motor skills, necessary for writing; memory.

Needed: Check whether it is okay to touch someone's leg. May need to tap students on the arm, back, hand, or shoulder instead.

Activity: Tap a rhythm on someone's leg. Let him repeat it on another person's leg (or arm), and so on, all around the circle.

When the rhythm reaches the last person in the circle, have them tap it on the leg (or arm) of the first person.

Has the rhythm changed?

For related exercises, see also C3: Repeat the Rhythm and C4: Finish the Rhythm.
